

- 🐾 **All** dogs must be spayed or neutered by **six** months of age.
- 🐾 Dogs must arrive on a lead that can be left with the boarder.
- 🐾 Each owner must provide evidence of **current** vaccinations, including **Rabies, Distemper, Bordatella** and a **Negative Fecal** within the last 3 months. All records are kept on file and tracked for needed updates.
- 🐾 Happy, *well-socialized* dogs are welcome at All Paws Inn. For safety reasons, we **cannot** accept dogs that have been “**attack**” or “**guard**” trained.
- 🐾 A day of Day Care is **required** for evaluation. Should aggressive behaviors or red flags become evident during the evaluation process owners will be contacted to discuss whether **All Paws Inn** is appropriate for their dog. At any time during a pets stay should aggressive behaviors and/or red flags occur, we will then re-evaluate a pets suitability to participate at All Paws Inn.
- 🐾 Any “**special needs**”, “**allergies**” or “**fears and triggers**” should be clearly communicated by the owner to the innkeepers.
- 🐾 Each boarder should arrive with her/his own food, enough for the planned stay **plus one** day. The feeding schedule is between 7am – 8am and then again in the evening between 5pm -6pm.
- 🐾 Innkeepers will administer medicines, if required. Medicines should be **packaged separately** from food with a dosing schedule clearly written.
- 🐾 Innkeepers require the name/number of the dog’s usual vet in the odd event of an emergency. Please bring this information along with a local emergency contact name/number.
- 🐾 Innkeepers will supply safe toys which will be disinfected daily. We cannot be responsible for toys brought in, so please leave them at home.
